

Newark Royal Market **Balance of Trade Policy**

Policy Aims and Objectives

The policy aims to ensure that:

1. The market offers an affordable range of goods and services that supports the needs of local people.
2. The market offers a range of goods and services that attracts visitors to the market and town centre.
- 3.. The market promotes local goods and services and showcases Nottinghamshire produce and identity.
4. There is guidance for potential traders on available lines and goods and services that may offer sustainable and beneficial trading opportunities.
5. The Town Clerk/Market Manager shall at all times have discretion to limit the number of stalls selling similar types of goods dependant on the size of the market in question.

Notwithstanding that the default policy:

Wednesday and Saturday Market (60-80 stalls)- 5 Stalls selling similar type of goods

Friday Market (30-60 Stalls)- 5 fruit and Veg Stalls, 4 Clothing Stalls, all other stalls selling similar type of goods 3.

Monday and Thursday Market- No stall limits

Monthly Farmers Markets- 2 Stalls selling similar type of goods

Monthly Artisan Markets- 2 Stalls selling similar type of goods,

Specialist Market Events (mixed stalls)- maximum of 5 Stalls selling similar type of goods,

Appeals

Appeals shall be allowed, and will be heard by a panel of 3 including the Town Clerk. All appeals must be put in writing and submitted to the Market Manager Ian Harrison either via post or email.
